

STRATEGIC DESIGN

★ CORE BELIEFS

WE believe that:

- 1 Every student is uniquely capable and deserves to be challenged each day.
- 2 Uninhibited learning depends on a safe, nurturing, inclusive and flexible environment.
- 3 An educated citizenry is essential for equal opportunity and a prosperous society.
- 4 Meaningful and relevant work engages students in profound learning.
- 5 Critical thinking and problem solving today are necessary for students to be equipped for future challenges.
- 6 Genuine transformation requires disruptive innovation.
- 7 Education is the shared responsibility of the community.

★ VISION

All of our students enjoy thriving, productive lives in a future *they* create.

★ MISSION

Students, staff and community design and implement a learning organization that provides engaging, innovative experiences every day.

★ GOALS

- 1 Provide all learners with safe, nurturing, inclusive and flexible learning environments.
- 2 Engage learners through the use of technological tools to access, create and share content as well as collaborate with other learners throughout the world.
- 3 Reframe state readiness standards in a way that leads to profound learning and has meaning and value for students.
- 4 Create flexible systems that result in a learning organization supported by innovative and engaged staff.
- 5 Continuously involve our diverse community, staff and students to use their strengths, resources and talents to provide engaging, innovative experiences for all learners.
- 6 Develop and implement meaningful, varied assessments that inform and inspire students and educators for continuous improvement and growth in a way that transforms learning and teaching.
- 7 Design an accountability system that transcends state/national mandates and reflects local values and expectations.
