Community Flu Vaccinations Open to the Public

clinic date

**Monday
December 7, 2015**

4:00 pm - 6:30 pm

Lewisville ISD Bolin Administrative Center
1565 W. Main Street
Lewisville, TX 75067

If you missed getting your annual flu shot, here's another chance. Lewisville ISD is hosting a clinic for community members to receive flu vaccinations.

Through the Texas Vaccines for Children program the cost for children under 19 with NO insurance is \$10; on Medicaid is free.

Aetna, Blue Cross Blue Shield, United Healthcare, Humana and Cigna PPO insurance plans are accepted and cover the vaccination at 100%. Please bring a copy of your insurance card and driver's license. For all others, the cost is \$10 for a trivalent or \$20 for a quadrivalent vaccination. Cash or check (made out to North Texas Flu Shots).

Children under the age of 18 must be accompanied by an adult.

Consent form and details are available at www.lisd.net/benefits.

Lewisville Independent School District
