the courses

Virtual Learning Academy Courses

VLA courses are locally developed. These high-school level courses are taught by highly qualified LISD online teachers.

Texas Virtual School Network Courses

TxVSN courses are offered by TEA-approved providers across Texas. Lewisville ISD leverages TxVSN courses to expand course offerings.

the students

The Virtual Learning Academy provides online learning opportunities to secondary students who:

- want a flexible learning environment
- want to accelerate
- want to make room in their schedule for fine arts, athletics, or CTE courses
- want to take a course not offered on campus
- want to graduate early
- want to work and go to school
- want an original credit option for credit recovery

the experience

VLA students share their experiences! Scan the code to watch as students reveal successes and challenges in their online courses!

Complete an online course request in Skyward Family Access. Once your request has been submitted, it will be reviewed by your counselor. Approval status is sent to your LISD student email after your counselor has approved your request in Skyward.

*Qualifying courses count in GPA, class rank, and UIL.

*Online courses carry the same weighting as traditional, campus based courses.
