

Farmer Spotlight...Andrew Gonzalez

Andrew is a junior at Lewisville High School Main Campus. He attended Huffines Middle School, and LHS Killough. Andrew is a member of the Lewisville High School football team. He is also participates in Scouts and Choir. Andrew serves his community by volunteering with his Scout troop and through his church. Andrew plans to attend college at TCU and become a welder. When he graduates from college he plans on serving his community. His passion is welding and learning history and aviation. Andrew's teachers describe him as a student who is self motivated, he comes to tutorials every day on his own, and asks questions if he doesn't understand. Andrew is also always willing to help and is a very friendly student. One thing you may not know about Andrew is in the 1st grade, despite his dyslexia, he scored at "the college level" in extended memory recall. Lewisville High School is a great place because of good kids like Andrew Gonzalez!
