

L.I.S.D.
Extended School Day
2007-08 Reduced Tuition (Scholarship) Request

I will apply for the Free or Reduced Lunch Program for the 2007-08 school year, and I request reduced tuition for the 07-08 ESD Program. (If you are eligible for the Free Lunch Program, the weekly tuition rate is \$15 per child. If you qualify for the Reduced Lunch Program, the weekly tuition rate is \$30 per child.)

I understand that I must provide the LISD Adult & Community Education Department a copy of my verification letter from Food Services stating in which lunch program I am eligible to participate.

Until the LISD Adult and Community Education Department receives this verification we are required to charge the regular weekly tuition rate of \$60 per child.

I understand that until the LISD Adult & Community Education Department receives this verification I will be responsible for the regular weekly tuition of \$60.

I understand that the effective date of my scholarship will be the first day of school (8-27-07) provided that I turn in my letter on or before October 1, 2007. Any amount that I have overpaid will be applied to future tuition installments.

I understand that after 10-1-07, the effective date of my scholarship will be the date the letter is received by the LISD Adult & Community Education Department. (There will be no tuition adjustments made for weeks prior to the date your eligibility letter is received by our office.)

I agree to make regular weekly payments according to the Plan A tuition schedule. I have been provided a copy of this schedule.
