Tournament Tips

The big day is only 8 days away and I know that many of you have tournament jitters. We try to make the day as enjoyable as possible by giving you a lot of information. Here are some reminders:

Paperwork - **Competitive Teams** will bring 5 copies of their [Tournament Data Form](#); 2 copies of the [Declaration of Independence](#) and 1 copy of the [Expense Report](#) (excluding Chorific). **Rising Stars** teams will bring 5 copies of their Starry Showcase Form and 1 copy of the Declaration of Independence (suggested, not required). **All teams** are required to bring 1 copy of the [TVNC Medical Release](#) form per team member.

Register your team at least an hour prior to your first performance time or check-in time for Switch and Chorific. Do not bring your team and props to team registration.

Report to your prep area 20 minutes prior to your performance time. The Prep Area Appraiser may come to the holding area to get you, but it is your responsibility to make sure you are there on time.

Report to IC Check-In 15 minutes before your IC time.

Just In Case something happens to your paperwork, you should have a complete extra set either in your car or with another adult from your team. Your team should also bring an emergency kit with materials and tools needed to repair broken props and scenery and torn costumes.

Read Everything! Several documents have been prepared to make sure you know what to expect: [TravelGuide for Teams](#), [Survival Guide](#), [Best Tips for Getting to Your Tournament Site](#) and the [RL Turner map](#). All are available online.

Have Fun! Make sure your team takes advantage of all there is to offer. They should watch other teams in their spare time, commemorate their DI year with a team photo and guess how Smartie Dodi is. Adults can browse the silent auction and place bids, buy raffle tickets and this year for the first time, they can take advantage of the Team Manager Retreat and relax.

Upcoming Events *(check [calendar online](#) for more details)*

March 8 - 2008 TVNC DI Tournament - RL Turner HS in Carrollton

April 4-5 - [2008 Texas DI Tournament](#) - Round Rock, Texas
