ADULT & COMMUNITY EDUCATION
SUBJECT: DRIVER EDUCATION (SPRING 2008)
The Colony HS

Lewisville ISD offers a course in driver education at Hebron High School campus. Please review this letter to see if your student qualifies for this program. We suggest that you **keep this letter on file for future reference.**

Classroom instruction will begin Wednesday, April 16, and will continue through Wednesday, May 7. The classroom phase will meet Monday through Friday, 4:30 – 6:30 PM, for the required 32 clock hours of instruction. The driving phase will begin Saturday, May 10, and will be Monday through Saturday until approximately Saturday, July 12. Each student is required to have seven (7) hours of behind-the-wheel driving and seven (7) hours of observation. This will give a thorough overview of the skills needed to be a good driver. **However, many more hours of practice are needed to help the student become proficient. AAA Texas recommends that parents provide a minimum of 50 hours supervised driving time for their teens.**

To be eligible for enrollment in the course, the student must be at least 15 years of age on or before April 16, and in grades 9-12 at The Colony High School. **It is the responsibility of parents of The Colony HS students to arrange transportation to and from the Hebron HS campus.**

The student must meet attendance requirements as specified by the Texas Education Agency. To obtain a driving permit, the student must present to the DPS an Attendance Verification Form obtained from the high school attendance clerk. **If there is any doubt about being able to meet the attendance requirements, contact your school attendance clerk before enrolling.**
