LEF MODIFIES TEACHER GRANT DEADLINE

(Lewisville, TX) The Lewisville Independent School District's Education Foundation modified the teacher grant deadline to Friday, June 13 by 4:30 p.m. The previous grant deadline was in September. The grant deadline change will allow recipients to implement their innovative instructional programs during a full school year rather than in a semester. By adjusting the deadline to benefit teachers and students, the foundation looks forward to receiving many more grant applications.
