FOR IMMEDIATE RELEASE

LISD HOSTS SECOND ANNUAL CYBER SAFETY WEEK

(Flower Mound, TX) Keeping children safe in a virtual world is the central theme of this year's second annual Cyber Safety Week that begins on Monday, March 10. The Lewisville Independent School District has organized a weeklong of campus and parent activities to help students learn safe Internet skills and tips. To learn more about how to keep your children safe online, visit:

Elementary-age students: <http://schoolweb.lisd.net/schoolweb3/course/view.php?id=924>

Middle school-age students: <http://schoolweb.lisd.net/schoolweb2/course/view.php?id=945>

High school-age students: <http://schoolweb.lisd.net/schoolweb/course/view.php?id=1218>

On Tuesday, LISD will host a parent night with James Willingham at 6:30 – 7:30 p.m. at the Bolin Center, 1565 W. Main Street, Lewisville. Willingham brings a wealth of experience as a forensic computer analyst/felony criminal investigator specializing in trapping online child predators. This program will expose parents to the dangers of the virtual world and how to keep children safe.
