STEWART'S CREEK ELEMENTARY SCHOOL

LEA LAND  
Principal

Dear Parents:

It is with deep sorrow that I share with you news of a tragedy in our school community. A student on our campus has passed away. Due to laws protecting family privacy rights, I am limited on the information I can disclose. When staff discovered that medical attention was needed, 911 was promptly notified. The student was transported to an area hospital for treatment, which was unsuccessful.

The entire Stewart's Creek Elementary School's thoughts are with the family during this time of grief. For the next week, counselors will be available for students, parents and staff. In times of tragedy, students react in a variety of ways. As adult caretakers, please offer support, encourage discussion and listen to your children.

If you have questions, please contact the Office of Public Information at 469.948.8152.

Sincerely,

A handwritten signature in cursive script that reads "Lea Land".
