LEWISVILLE HIGH SCHOOL TO HOST PRE-AP AND AP NIGHT FOR PARENTS

LEWISVILLE —Lewisville High School will host a Pre-Advanced Placement (Pre-AP) and an Advanced Placement (AP) Informational night Jan. 13 at 6:30 p.m. for parents of middle and high school students. This event will give parents an in-depth look at Lewisville High School’s Pre-AP and AP course offerings.

AP courses often help students get a head start in their college course work and are taught at more advanced levels than normal high school classes. AP classes allow students to study subjects in greater detail and improve their academic skills necessary for tackling demanding coursework.

For more information, contact Lewisville High School at 469-713-5190.
