

View Assignments and Grades

(eSembler is official grade book)

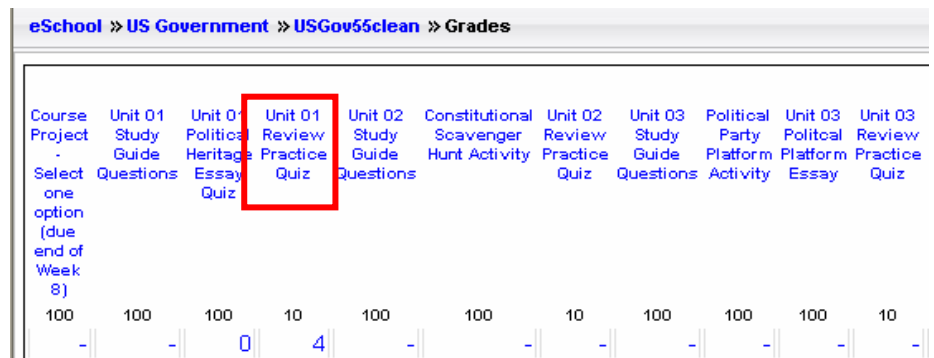

1. To view completed assignments and grades, login to eSchool.
2. Locate the Administration block and click on Grades.

3. You will see the following window.
4. To see all of the assignments, click on "Uncategorised". You will see each assignment with the associated grade.

5. To see all information for a particular assignment, click on the title of the assignment.

6. This window will provide the date you attempted the quiz, or if an assignment, the date you submitted the assignment and any communications you had with your teacher.
