SUBJECT: Camey ES – IAQ – Test Results for the Abatement for Room E-2

On Friday 10/27, ARC Abatement abated the tile floor in E-2. As of today 10/29, the abatement is completed. From the E-mail that you received from Larry Worley, Projects will be working to complete the build back by Friday 11/9. If you have any questions, please call me.

Thanks,
Paul
