TO: Dan Van Horne, Principal

SUBJECT: Garden Ridge ES - IAQ - Air Test in Room 117

Yesterday, I received W.O. #69463 from Karen; "Teacher in Room 117 reports her room smells musty after the long weekend". I have requested EFI to Air Test Room 117. Hopefully we should have the reports back by Friday 9/7. If you have any questions, please call me.

Thanks,
Paul
