

PROOF OF PREGNANCY (P.O.P.)

The School Age Parent Program (SAPP) requires a proof of pregnancy from 1) a doctor or physician's assistant 2) a clinic/center that provides a document signed by a nurse or nurse practitioner.

If pregnant and wanting to make application for Medicaid, Form 3037 is required. Lewisville Health Services, the Advocacy and Pregnancy Center, or MOMS program can provide this proof of pregnancy for you.

- **Doctor's office:** Call your family doctor. Ask how much an examination and pregnancy test costs and/or make an appointment.
- **Lewisville Health Department:** 190 N Valley Pkwy, Ste 203
Lewisville
972-434-4700

An appointment is not required. Hours of operation are: M-Th 7am-6pm & Fri 8am-5pm
COST: \$5

- **Lewisville Health Services:** 1288 West Main, Suite 209
Lewisville
972-221-7644

A health care clinic that gives a medical exam for pregnancy, including a urine test. The exams are done by a female registered nurse practitioner.

Testing is done between 1- 4pm. COST: \$25

- **Advocacy and Pregnancy Center:** 817 S. Mill Street, Suite 112
Lewisville
972-436-2273

A free pregnancy urine test is given at the center, with results in 30-45 minutes. Information and confidential counseling and referral for prenatal care or adoption is also furnished. You will be shown films about abortion and pregnancy. It is a pro-life agency. No appointment is necessary, but call first since hours vary.

COST: Free.

- **MOMS Program:** Trinity Hospital (M-T-W) 972-512-7272
RHD Hospital (TH-F) 972-888-7110

Pregnancy testing and referrals. Medicaid help available if using these hospitals.

No appointment needed. COST: Free.

NOTE: The School Age Parent Program RN/Childbirth Educator case manages all LISD pregnant students. *When you have a proof of pregnancy*, bring the doctor's (or clinic's) note to the person who gave you this sheet (nurse or counselor). **Ms. Iversen, SAPP RN/CBE**, will be notified and will send a pass so you can meet with her within a few days.

Assistance with Medicaid and/or CHIP Perinatal Program is also available through SAPP. It is unnecessary to go to Denton. Contact **Ms. Victorson, Family Services Advisor**, @ 469-948-7520.
