We prefer photos submitted on CD. They must be in jpg format at 300 dpi. Printed photos must be on quality photo paper, not copier paper. Digital prints should be generated from 300 dpi files. Photos from camera phones will not work in our format. Label each CD or photo with the name of the student and the address if you want the photos or CD returned. Return address labels work best. Do not submit your only copy of a photo; we will not be responsible for damaged or lost photos. Photos and CD's will be returned to you by mail in late May or early June if you give us a complete return address. If you combine students from different families on the same ad, please indicate where photos should be returned.

Message* to be included in dedication: (Please write on back of this page.) * *The longer the message, the smaller the type and photos will be.*
