Please put order form and payment in an envelope and deliverer it to Mr. Brandenburg, the Yearbook Advisor at DeLay MS

Payment Plans:

If you wish to use a couple of payments to pay for the yearbook, we understand. The way we will handle this is you must put a \$5 non refundable payment for your students book. We will reserve the book till one week after we receive them in early May. Mr. Brandenburg (yearbook advisor) will send out a reminder to make another small payment at the end of January, February, and March. The total is due at the end of the first week after we receive the books. If you have any questions please email at brandenburg@lisd.net or call the school.

Thank you very much in supporting DeLay Middle School
