

## LISD Special Education PTSA - [www.lisd-septsa.org](http://www.lisd-septsa.org)

Did you know that LISD now has a PTSA especially for parents and loved ones of students who are enrolled in special education services? Unlike your school PTA, our PTSA does not have a "home campus." We serve families as well as teachers and professionals from across the district.

Our purpose is to work together with the school system to provide the best educational experience for all children with special needs, to provide a local community support group for parents and guardians of special needs children, and to be a resource of information on locally available special services.

We host Programs that educate both parents and teachers. Some topics we have had in the past or plan to have are: Financial Planning, Advocating for your Child, Finding Financial Resources and Programs, Parenting Skills, Understanding the ARD process, Toilet Training, Enhancing Language Skills, Social Skills, Higher Education for Students with Disabilities, Building Behavioral Plans, and many more. We welcome suggestions!

**We also operate an online chat group at [www.groups.yahoo.com/group/lisd-septsa](http://www.groups.yahoo.com/group/lisd-septsa).** This is a great forum for sharing information and resources as well as asking questions!

For questions or to join, contact Lynda Crossan at [crossanl@grandecom.net](mailto:crossanl@grandecom.net) or (817) 235-3733  
or Amy Turner at [amy@lisd-septsa.org](mailto:amy@lisd-septsa.org) or (469) 293-6343.
