# Magazines

*The gift that keeps on giving*

## Dear Parents and Friends:

Are you looking for the perfect holiday gift?

Look no further,...

If you have subscriptions that need to be renewed, you would like to subscribe to a new magazine or you are looking for the perfect holiday gift please consider ordering through QSP. Our school does not receive any profit on orders renewed directly from the publisher but if you use this website we do!

**Let your friends and relatives know** about this and ask them to save their subscriptions for our program, as well. Also, plan to **give magazine subscriptions as gifts** this year.

Renewal orders will simply extend current subscriptions, unless the renewal(s) has expired.

**Thank you in advance for your support!** We are looking forward to your participation.

Sincerely,  
Dawn Szlosek  
Librarian
