

Partners in Education

April 27, 2009

Good afternoon! As we make our way through the last six weeks of school, please be mindful of the following:

- **[CDC web site for swine flu information](http://www.cdc.gov/swineflu/swineflu_you.htm)**
http://www.cdc.gov/swineflu/swineflu_you.htm
- **Parents:** Lewisville Independent School District, local law enforcement and other community partners are working together to provide an opportunity for community members to support Medication Disposal Day. On Saturday May 2, 2009 from 10:00 a.m. to 2:00 p.m. at each LISD High School, we welcome you to bring any expired or unused medications (prescription or over-the-counter) so that they can be properly disposed of. Local Police Department representatives will collect medications and LISD volunteers will provide educational materials so that you will know how to properly dispose of these medications in the future.

Thank you for helping us to make a difference in the lives of our students and our water supply.

- **Dress code. Please check the Tuesday Newsday folder on acceptable dress. (no spaghetti straps, shorts at fingertip length, no makeup, nothing that distracts from learning)**
- **Thank you to those who have graciously sent in gift cards or checks (made out to Indian Creek) for our family in need. We will be doing 3 “spring fling” theme days with the results also going**

to the family. (5/4 = hat day, 5/6 = crazy sox, 5/7 = pj day. All days require \$1 each day to participate)

- Our morning procedure of Safe and Civil schools is going beautifully! Students are much calmer and ready for class as they enter the building, go directly to their class, and sit out in the hall reading a book under supervision of the teacher. Thank you to Mrs. Mohr and our Safe and Civil team!
- Our last day of school is Friday, June 5th, at 1:30. The day was added due to our bad weather day. **ALL PARTIES, REPORT CARDS, AND AWARDS WILL BE HELD ON THAT FRIDAY, JUNE 5TH.** REPORT CARDS will be held until the following week if student is not in attendance.
- 4/28: TAKS math for 3rd and 4th
