

IMMUNIZATIONS REQUIRED
FOR
7TH GRADERS
SY 2009-2010

The Texas Legislature recently revised the required immunizations for entry into any Texas school. Please note the * and highlighted immunizations are the revised requirements for entry into the 7th grade for next school year, 2009-2010. Please consult with your school nurse or immunization provider if you have any questions.

Enrollment will not be allowed until proof of current immunizations or exemption has been supplied to the school.

Vaccines	7th Grade Requirements
Diphtheria, Tetanus and Pertussis (DTaP/DTP/DT/Td/Tdap)	3 doses including one on or after the first birthday
*Tdap Booster	One dose if it has been five years since last dose of a tetanus containing vaccine.
Polio	4 doses one on or after the 4 th birthday OR 3 doses if third dose was given on or after the 4 th birthday
Measles, Mumps, and Rubella	1 dose of MMR and one dose of a measles containing vaccine with first dose on or after the first birthday
Hepatitis B	3 doses
*Meningococcal Vaccine	One dose
*Varicella	2 doses received on or after the first birthday OR verification student has had disease.

For additional information regarding these new requirements please access the Department of State Health Services web site regarding immunizations at:
