The Lakeview Middle School PTA is fortunate to have the wholehearted support of Dr. Nauman, the entire faculty and staff of Lakeview and the support of a school district that is proud to boast that all schools in the Lewisville Independent School District are affiliated with a PTA. We can only do the work that we do with parent volunteers, and dedicated PTA leaders. Local PTA's are cyclical organizations; some years they are very strong and others are not. It is very important at this time that parents of 6<sup>th</sup> and 7<sup>th</sup> graders get involved by taking on a position on the PTA Board, or by assisting a board member in their duties as a committee member. This is the best way to learn PTA. If you would like to volunteer contact the Lakeview PTA President Jan Partin at [jpar10@swbell.net](mailto:jpar10@swbell.net).
