**Application for Teacher Laptop Package
Lewisville Independent School District
2007-2008**

Name: _____

Campus: _____ **Room Number:** _____

Date: _____ **Teaching Assignment:** _____

A laser printer is also provided when you receive the laptop. If you do not need the laser printer, please check the appropriate blank below. This printer must be used in your classroom.

Laser Printer: **Yes**_____ **No**_____

Directions: Please respond to the following questions.

- 1. Explain how you will use this laptop to enhance student learning.**
This is a summary and should mention the problem or need being addressed, the proposed activities and the intended outcomes.
- 2. If you are selected to receive a laptop, will you agree to participate on a regular basis in the following two activities? Respond to each item individually.**
 - Participate in a technology study group on your campus for at least 6 hours **or** meet with the Campus Instructional Technologist at 3 different conference periods within the calendar year following the receipt of laptop.
 - Share your expertise with others in your building (Describe how you would share your expertise in your building and how you would measure the effectiveness of your program.)
- 3. How many times have you utilized the computer lab on your campus during the last 12 months, and what was your role while you and your students were in the lab?**
Include information about the software applications that were used and how they were implemented.
- 4. Describe how you utilize your classroom computer in your daily routine and, when applicable, describe your use of the classroom computer with your students.** Include any technology collaborative projects that you have done with your students in your classroom or in the lab. Give specific examples of the applications you use daily. Clearly describe project activities, state reasons for selection of activities, and describe sequence of activities.
- 5. What technology training/conferences have you attended within the last few years?** For example: Intel training, in-school training, staff development classes, TCEA area or state conferences. Include how this training has improved your use of technology with students.

Save your application in the CompTest folder. Read carefully as to how to submit this application electronically.
