Designs Collaborative Spaces
Use of Space and Time

Provides flexible spaces that promote inquiry, creativity, collaboration, and community.

Builds Instructional Partnerships
Curriculum, Instruction, and Assessment

Partners with educators to design and implement evidence-based curricula and assessments that integrate elements of deeper learning, critical thinking, information literacy, digital citizenship, creativity, innovation and the active use of technology.

Empowers Students as Creators
Curriculum, Instruction, and Assessment

Encourages and facilitates students to become increasingly self-directed as they create digital products of their learning that engage them in critical thinking, collaboration and authentic, real-world problem solving.

Curates Digital Resources and Tools
Curriculum, Instruction, and Assessment

Leads in the selection, integration, organization, and sharing of digital resources and tools to support transformational teaching and learning and develop the digital curation skills of others.

Facilitates Professional Learning
Personalized Professional Learning

Leads professional learning to cultivate broader understanding of the skills that comprise success in a digital age (e.g., critical thinking, information literacy, digital citizenship, technology competencies, etc.).

Ensures Equitable Digital Access
Technology and Robust Infrastructure

Provides and advocates for equitable access to connectivity, digital devices, information, resources, programming, and services in support of the district's strategic vision.

Invests Strategically in Digital Resources
Budget and Resources

Leverages an understanding of school and community needs to identify and invest in digital resources to support student learning.

Cultivates Community Partnerships
Community Partnerships

Cultivates partnerships within the school and local community (families and caregivers, non-profit organizations, government agencies, public and higher education libraries, businesses, etc.) to promote engagement and a lifelong learning process.

Advocates for Student Privacy
Data and Privacy

Teaches and promotes student data privacy through instruction and role as educational leaders.

Leads Beyond the Library
Collaborative Leadership

Participates in setting the district's vision and strategic plan for digital learning and fosters a culture of collaboration and innovation to empower teachers and learners.
