COMMITTED TO EXCELLENCE

Mission Statement

Hebron High School will empower our students to become productive citizens in a global society by providing a supportive learning environment with engaging lessons. We will ensure that all students receive the assistance necessary to achieve academic success. Hebron HS will be an exemplary campus according to the standards of our community, state, and nation.

Motto

Nothing less than success.

The Community

Hebron High School is part of the Lewisville Independent School District. LISD is an urban/suburban school district located in Denton County approximately 25 miles north of Dallas. The Hebron attendance zone includes students residing in parts of Carrollton, Lewisville, The Colony, Plano, and Frisco. Hebron is surrounded by more than ten institutions of higher learning and numerous community colleges are also within commuting distance.

Hebron High School is a comprehensive senior high school serving over 2700 students in grades 10-12. Hebron is accredited by Southern Association of Colleges and Schools and Texas Education Agency. There are over 250 course selections at Hebron and more than 40 student clubs and organizations.

In addition, a strong athletic program offers participation in 14 competitive sports. Students also have the opportunity to participate in band, choir, cheerleading, drill team, orchestra, debate, Theatre, Academic Decathlon, and Student Council.

Lewisville Independent School District

Lewisville Independent School District encompasses more than 127 square miles. Hebron High School is one of five high schools, 5 nine and ten grade centers, 15 middle schools, 41 elementary schools, 2 career centers, one alternative school, and one-night school. LISD is one of the largest school districts in Texas.

The Academic Year

Hebron High School uses an accelerated block schedule. The school year is divided into two terms: August – December and January – May with two semesters in each term. One half credit may be earned per class each 9 weeks. Students may earn up to 4 credits per term or 8 credits per school year. Each school day includes four 90-minute class periods.

Grade Point and Rank in Class

Grades are recorded numerically. Rank in class is calculated on the core classes of English, Mathematics, Science, Social Studies, Foreign Language, Ac Dec and AP. Core courses are weighted by a factor of 1.1, 1.15, 1.2, or 1.0 times the awarded grade, depending on of the level of the course described in the curriculum guide.

The LISD default is to post a student's class rank on the transcript. Students in the Top 10 percent, or students who do not complete the opt-out form, will have their class rank posted on their transcripts. Students not in the Top 10 percent may choose to opt-out of having the rank appear on their transcript.

COVID-19 Grading

During the Spring Semester 4th 9 weeks grading period of the 2020-21 school year. LISD students were awarded either a Pass(P) or Fail(F) in order to determine credit for the course. These grades were not calculated in GPA or Rank.

Grade Scale

A= 90-100	C= 70-79
B= 80-89	F= 69 and below
