"I was . . . industrious. . . . After working all day, I worked in the office nights as well . . . I seldom reached home until 11:30 at night," he later said.

The second note, 'Inventions', is marked with a bookmark icon and contains text about Edison's inventions and a link to a video. The third note, 'Author's Note', is marked with a bookmark icon. A 'Tags' section is visible below the first note, showing 'Teal, Early Life' and 'Inventions' tags. A 'Close' button is in the top right corner. A 'Print' icon and a 'More Options' icon (three horizontal lines) are in the top right of the notebook area. A 'Close' button is also in the top right of the notebook area.
