

The Colony High School

Parent Involvement Policy

2019-2020

Statement of Purpose

The Colony High School is dedicated to providing quality education for every student at our campus through campus-wide parent involvement. To accomplish this objective, The Colony High School personnel continually develop and maintain partnerships with parents and community members. Parents involved in the education of their children contribute greatly to student achievement and academic success by reinforcing their children's commitment to education.

Campus Responsibilities

The Colony High School continually builds partnerships with parents and campus staff to improve and support student academic achievement. We strive to ensure that all parents feel welcome and included and know that their voice is important and heard. We are appreciative and excited to receive and respond to your input and appreciate your partnership. Additionally, the following list details parent involvement opportunities provided by The Colony High School which parents will be kept informed about. These opportunities to engage will happen at a variety of days and times in order to provide many different ways for parents to be involved. All parents are invited to attend/receive:

- Campus Building Leadership Team meetings to include reviewing needs, developing the school wide plan, sharing the opportunities for parent perspectives to accompany our plan.
- Campus Parent Teacher Student Association meetings (PTSA)

School/Parent Partnership Compact

Parents of students participating at The Colony High School receive The Colony High School's School Compact to enable the school personnel and parents to share responsibility for student performance and success. The compact explains how students, parents, and staff share responsibility for promoting student achievement. Members of the building Leadership Team provide input in the design and implementation of the compact.

Parent Involvement is essential in each child's educational process. The Colony High School personnel partners with families to ensure each child's success in mastering the state and national standards.
