Tina Joeris	Sharon Eatwell	Sharon Heier

Building Leadership Team

Each campus has a Building Leadership Team. The BLT, is chaired by the campus principal, functions as the guiding force in campus level goal setting and planning. The BLT, representing all segments of the campus and its community, is instrumental in the site-based decision making process; communicating, advising, researching, monitoring, and recommending actions designed to improve student performance. BLT membership is determined by the state and district site-based management guidelines.

*Parent and Business Representatives
