## Rockbrook Elementary

### Ashley Vanderwater, LMSW

Site Coordinator/Social Worker

Hello Parents/Guardians,

Welcome to my Communities In Schools Rockbrook page! I am the Site Coordinator for your student(s) school and would love to be a resource for your family. I work with students one-on-one, small groups focusing on Social Emotional activities, connecting families to resources as well as a mentor program on campus. If you would like to sign your student up for my program, in need of a resource that is not listed below or have questions, please feel free to contact me! I would love to assist you with navigating information during this difficult time.
