

Flower Mound Seniors in Motion Scholarship Information and Requirements

The Flower Mound Seniors in Motion Activity Center would like to offer you the chance to participate in our scholarship opportunities for two students in the twelfth grade. You will need to be enrolling in college in the year of 2025-2026. Funds for the scholarship will be sent to the college where the student has been accepted and will be attending. We want to encourage students to continue with their education after high school, offering them the opportunity for a better life. We hope this scholarship of two thousand dollars for each of the students in 2025 will help the two winners offset some of their expenses.
