

OPENING DOORS TO THE REAL WORLD
CAREER OUT

JUNIORS AND SENIORS:

Looking for that “Plus 1” on a scholarship or college application?
Something that will make YOU stand out?
Are you sick of people asking what you want to do for the rest of your life?

We have the perfect solution – the LISD JOB SHADOWING PROGRAM!

What exactly is job shadowing?

Job shadowing is following someone while they work. The LISD Career Out job shadowing program allows LISD juniors and seniors to VIRTUALLY job shadow 2 different businesses/careers. Students will have time to learn about a career in-depth from someone who does that job EVERY SINGLE DAY. Students will get to ask questions and talk to professionals about their career path, how they got there, and why they love it.

When is it?

Friday, March 26th

Session 1: 8:30-9:45 AM

Session 2: 10:00-11:15 AM

Participating students MUST attend 2 sessions. Absences from normal classes will be excused.

Why participate?

- Stand out from your peers by being PROACTIVE in a career search
- Beef up your résumé, scholarship applications and college applications by showing you are a go-getter
- Save time and money in college by finding what you want to pursue NOW
- There will be exciting giveaways during the sessions (think gift cards and raffle prizes)
- You participate from HOME the morning of Career Out

How do I sign up?
