

SECONDARY SCHOOLS MONTHLY PROMOTIONS

FUEL PROMOTIONS

FUEL is a week-long promotion that occurs once per month, typically the second week. These recipes are chosen and tested in our Aramark corporate kitchen with the goal of offering students something new and unique.

DONUT OF THE MONTH

Donuts have proven to be a popular favorite among students, so this year we are providing them with a variety of different flavors. Once a month each school's cafeteria manager will select a unique flavor that will be served for breakfast.

BREAKFAST FOR LUNCH

We have received consistent feedback that students enjoy eating breakfast for lunch. So once a month we will be highlighting these days on our menu to get students excited about eating lunch.

THEME DAYS

Once or twice a month, we will offer theme menus to highlight holidays, international cuisine, national food days, etc. These will include special entrees and side items which will build excitement through fun food offerings.

NEW MENU ITEM SAMPLE DAYS

There are several days on the calendar that we will offer samples for our new menu items to encourage students to try new options. We will particularly highlight our delicious scratch recipes and promotional items and always welcome student feedback.
