b. b. owen
elementary school

Dear Friends of B.B. Owen Elementary,

The faculty, staff, and students of B.B. Owen Elementary are pleased to welcome you to our new school and would like to thank you for your support and presence here today. Our school strives to provide a positive atmosphere where children can achieve and be proud of their many accomplishments. We look forward to helping our students reach their full potential, and we want to encourage them to become viable individuals in our community and society. Our children DO make a difference!

Since we opened our doors this fall, I have already seen the pride and excitement of the students, staff, and parents for our beautiful new school. The opportunity to participate in the beginning of B.B. Owen Elementary is a challenge that we all eagerly share. Thank you for your commitment to the education of the children of the Lewisville Independent School District.

Sincerely,

Marilyn Spence

Marilyn Spence

Principal

B.B. Owen Elementary

Current Enrollment: 574 students (as of 9-15-87)

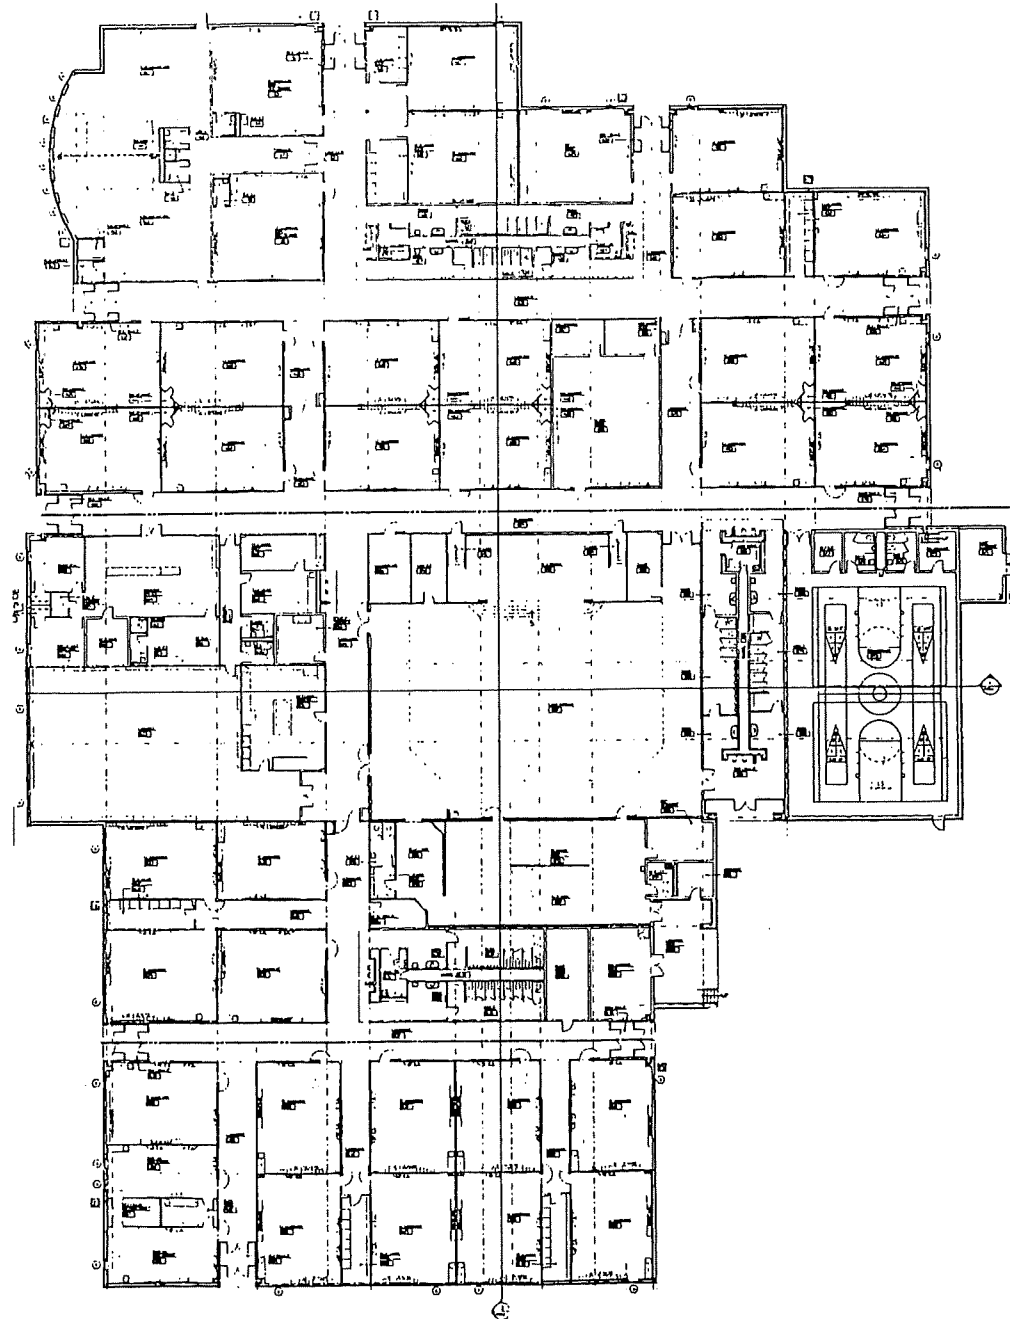

Builders: Mission Construction Inc.
2415 Mangum, #105
Houston, Texas

Lewisville ISD is sincerely grateful for the generous land donation from the late B.B. Owen. Mr. Owen donated a 50 acre site to the Lewisville school district for the construction of a new school facility; a 30 acre portion was utilized to construct B.B. Owen Elementary School.

Owen was born on September 11, 1897, in Cisco, Eastland County. As a young man, he moved to Dallas County where he was principally involved with investments and investment loans. Owen was also involved in agriculture as he owned land in Dallas County.

In the late 1960's, Owen moved to Collin County where he made his residence until his death on April 24, 1972. Throughout his life, Owen was extremely interested in young people and their education. He showed this interest best through his involvement with school vocational agricultural programs and through donations of land for new school construction. Through the Trustees of his estate, Owen's interest in youth and their education is still being expressed.
