A system-generated late fee of \$25.00 will automatically be charged on the 8th of each month if payment has not been received. If tuition is not paid by the payment drop date or the 10th of each month, whichever comes first, your child will be dropped from the program. If your payment is not received according to the payment schedule, your child will be removed from ESD. A fee of \$15.00 per child must be paid for reinstatement, provided there is space available in your child's ESD program.

### Important Tuition Notice

Please be advised that the ESD payment plans are not calculated based on the number of school days within a month. Payment plans are based on the total number of days in the school year divided into equal payments. Please pay close attention to the payment due dates. The due dates are based on the payment number and not the time period covered. Tuition adjustments will not be made for unforeseen circumstances beyond the control of LISD, (inclement weather, medical or facility emergencies, or other days off that are not made up).
