<p>Elementary Weather Guidelines</p>	<p>vaping device.</p> <p>Sub-committee tasked with reviewing current weather guidelines for elementary recess. Survey to all elementary staff and parents answered by over 3,900 provided data to allow for modifications and updated guidelines. Heat Index and Wind Chill will be considering factors to whether students go outside for 30 minute or less recess. Teachers can access Heat Index and Wind Chill at https://www.weather.gov/</p>	<p>R Fry will take SHAC sub-committee guidelines to Leadership in May for approval. The new guidelines will begin with the 2019-2020 school year.</p>	<p>May 13, 2019 Fall 2019</p>
<p>Sub-Committee Summary Mental Health Monya Crow Follow up - Back of ID cards to have safety protocol printed on the cards - looking into that Social emotional curriculum and restorative practices being revamped</p>	<p>Continue work on how safety protocol can be put on back of student ID cards. One campus shared idea of putting stickers on back of student ID cards identifying what clubs/organizations a student is a part of to help track where students go during advisory periods.</p>	<p>Counseling dept continue work with Safety and Security dept to identify pricing and possibility of safety protocol on IDs for students.</p>	<p>Fall 2019</p>

<p>Second Step - PreK through 8 Social and emotional and restorative practices included in their curriculum. Getting feedback from campuses.</p> <p>Candid feedback about mental health/suicide prevention lessons from students. Students did not like it. Too dry. Working on revamping and rewriting based on feedback with their voices and perspective.</p> <ul style="list-style-type: none"> ● Will there be feedback from students after the lessons are rewritten? That is the plan. We hope to get feedback from students. ● Lessons need to be available to teachers in plenty of time to prepare. ● Character Counts? Lessons will continue and expand. ● What happens on a campus when a child is identified as wanting to 	<p>M. Crow provided an update on the current work of the Second Step Reboot committee and the Suicide Prevention Curriculum updates. Handouts were provided on correlation between Second Step and Restorative Practices.</p>	<p>Second Step reboot and SPC curriculum update will be implemented for 2019-2020.</p>	<p>Implementation 2019-2020</p>
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------	---------------------------------

<p>hurt themselves? Detailed protocol and steps are put into place to care for the child. Parents are involved 100% of the time.</p> <p>Bell Ringers - Research - how to use bell ringers to get the day started including restorative practices. Minute meetings - check in for mental health.</p>	<p>Report out on work from counseling dept on bell ringers. Second Step has resources and can be implemented during Restorative Practice Morning meetings.</p>	<p>Counseling dept will share bell ringer options with campus counselors and staff.</p>	<p>Fall 2019</p>
<p>Other</p>			
	<p>Adjourned at 6:53pm</p>	<p>All meetings at the new LISD Administration Building in Welcome Center</p> <p>Next Meeting: May 1</p>	<p>Reminded of the change in time and location for all other meetings this year.</p>
