<p><b>Mental Health</b></p>	<p>Committees want to consider adding sexting and social media content.</p> <p>The existing video will continue to be shown; still valuable info and opens the door for meaningful conversation.</p> <p>Also show information in a consistent and factual way. No bias or variety of delivery.</p> <p>Thanks so much to committee, Sarah Durant, and Jennifer Beimer's team for their work on this search.</p> <p>The delivery of mental health lessons in secondary schools is either streamed in via pre-recorded video of counselors (leaving untrained teachers to answer questions) OR lessons taught by teachers who get the material from counselors late, are not trained in the content. While the intent is sincere, it leaves much to be desired.</p> <p>Need to be more proactive to</p>
