May 10th, 2022

- I. **Call to Order @**
  - A. Opening remarks were made by Gala Langley. She shared that the meeting was an open forum, and informed council members to use the microphone as the meeting was being recorded.
- II. **Approval of Minutes**
  - A. There was a 1st and 2nd for the approval of the April 19th meeting minutes and the motion to approve carried.
- III. **Child Nutrition** –Executive Chef Alicia River, Child Nutrition
  - A. Information regarding new items being vetted by student viewpoint, limited time offerings are recipes created here in Lewisville for our students. Future plans are to add items that are vegetarian.
- IV. **New Business**
  - A. Sub-Committee Breakout
    1. All three teams broke out to have about 30-40 minutes of discussion time and conversations were recorded.
  - B. Sub-Committee Report Out
    1. Secondary Growth and Development - J. Beimer shared a summary of the committee's work. It was explained that the committee reviewed the Goodheart-Wilcox resource for high school reproductive and sexual health strand, all were in agreement that the materials are aligned to the standards, are appropriate for the grade level and reflect the community's values. Recommendation to move to the next phase in the review process. The committee shared their opinion that the Health I course should be a requirement for all LISD students and not just those that elect to take the course. The committee feels that the content is important for all students.
    2. Senate Bill 9 - M. Crow shared a summary of the committee's conversation. She explained that the subgroup reviewed existing curricular resources covering dating violence, human trafficking, family violence and sex trafficking. The committee feels that by our next meeting they will be able to make a motion for curricula to address the topics stated in SB 9.
    3. Elementary Growth and Development - M. Vincelette recapped that the committee reviewed a resource for girls elementary human growth and development, at the next meeting the boy's version will be reviewed.
  - C. Adjournment - @ 6:49pm

Next meeting will be May 24, 2022 @ 6:00pm
