

**Lewisville Independent School District
Health Services**

Parent/Guardian Permission to Carry Meds at Secondary School

Secondary students may carry over the counter medications (Tylenol, ibuprofen, Midol, etc.) and some prescription medications (ex. antibiotics.) To do so, they need to:

1. Keep the medication in the original container.
2. Carry a written note from the parent/guardian naming the medication(s) and instruction for its use. The note should include; date, parent/guardian signature and phone number. You may use the permission form below.
3. **DO NOT SHARE MEDICATION(S) with anyone!!**

In order to carry **INHALERS, EPI-PENS and DIABETIC SUPPLIES**, you must submit a Medication Self Carry Agreement completed by the parent/guardian and doctor. These forms are available from your school nurse and on the [Lewisville ISD Health Services website](#).

Students may NOT carry controlled substances at any time. All controlled substances, including behavior modification drugs, **must be kept and administered by the school nurse.** If your child requires this medication at school, please contact your nurse for the appropriate forms. Thank you.
