## CAMPUS HIGHLIGHTS

### 2022 OPEN HOUSE

Thank you to all the families who joined us for Open House this week! It was wonderful to welcome so many families into the building to see evidence of the great learning that happens at Donald each day. We appreciate you allowing your children to be your guides for the evening. They were so proud to showcase their work!

### ADJECTIVE HAT PARADE

You may have noticed some crazy headwear heading into the building this week as 1st Grade Students prepared for the Adjective Hat Parade! Using Dr. Seuss as inspiration, students created wacky hats. They began the day by parading down the hallway for Kindergarten, and they finished the day by writing about their hats using exciting, colorful, and descriptive adjectives.

### DISTINGUISHED DOLPHINS

Congratulations, to our Distinguished Dolphins of the week! They earned a Splash Note as recognition for their great Dolphin Character, and today they were randomly selected for an extra celebration!

### KIDS HEART CHALLENGE CAMPAIGN

Thank you to everyone who participated in the Kids Heart Challenge Campaign. I am excited to announce we surpassed our fundraising goals and raised \$14,646 for the American Heart Association! Congratulations to our overall top fundraiser, Finley Payne! We exceeded our registration goals with 228 students registering for Finn's Mission to become heart healthy, too! I am ready to be slimed by 29 kids on Field Day! All the extra prizes will be shipped in the next few weeks

### DONALD ART SHOW

The Donald Art Show was a huge success! Every child had a work of art in the show, and the school looked fabulous! All art will go home in May.
