*The Board of Trustees approved across-the-board raises and a **one-time** additional payment for all LISD employees. Even in the face of much uncertainty about next year - from what school will look like to how the legislature will respond to our state's economic situation due to COVID-19 - I am proud our Board took this step to take care of our employees.*

All staff members will receive a 2% raise, based on the midpoint of their salary schedule. Staff members who are employed on or before September 1 and are currently employed at the time of payment will receive a one-time additional payment in November as follows:

**Employees in the teacher job family (TC1) on the salary schedule who have 20 or more years of experience will receive \$1000, minus applicable taxes and withholdings.*

**All other full-time employees will receive \$750, minus applicable taxes and withholdings.*

**All part-time employees will receive \$375, minus applicable taxes and withholdings.*

**Lewisville ISD
