

Outdoor Skills Camp

**EACH SESSION
LIMITED TO 30
CAMPERS!**

June 20-24 and June 27-July 1

8:30 AM to Noon

Incoming Grades 2-6

Week One

June 20-24

Angler Ed and Fishing

Camp Set Up

Introduction To Archery

\$100/Camper

We will conduct the Texas Parks and Wildlife Angler Education Course as well as the National Archery in the Schools Basic Archery Course. Campers will learn angling, then fish in the Unity Park ponds. Bait and tackle provided. Campers will learn proper shooting form and tournament archery procedures that they can use in NASP tournaments if they take Outdoor Ed in Middle and High School.

Tear off and return the following information, check payable to:

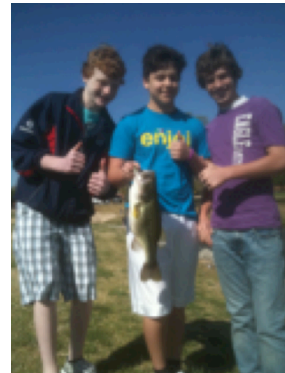

Keith Martz

344 Oak Forest Drive

Highland Village, Texas 75077

Make Checks payable to: Keith Martz

Week Two

June 27-July 1

Intro and Advanced Archery

Survival Skills

Cooking

\$100/Camper

We will work on polishing our archery skills and technique. The archery portion will culminate with an "in camp" simulated NASP tournament. Survival Skills consists of fire building, shelter making, CPR/first aid, and trip management. Preparation for an emergency will be stressed. We will end the unit with basic camp cooking.
