

CAREER CENTER CLASSES

- ★ LISD offers two **T**echnology, **E**xploration and **C**areer **C**enters (TECC) for students in grades 9 - 12:
 - TECC-East and TECC- West

- ★ Classes are double-blocked, lasting two class periods for 18 weeks in length. Students receive 2.0 state credits.

- ★ Courses could be scheduled in the fall and/or spring semester. Fall courses begin the first day of school. Spring courses begin the first day of spring semester.

- ★ Classes are held either in the morning (1st and 2nd period) or in the afternoon (3rd and 4th period).

- ★ Please note the grade level restrictions next to each program as they are strictly enforced.

- ★ Students can catch a bus from their home campus, to and from both career centers.

- ★ Students eat lunch at their home campus.

- ★ For more information, please visit each career center's website:
 - Dale Jackson: <http://lisd.net/tecce>
 - Career Center East: <http://lisd.net/teccw>
 - Description of all courses offered are also available in the Course Description Guide. cdg.lisd.net
