

Sports Medicine & Student Athletic Training Information

- Signing up for Sports Medicine I also requires completing an online application in Google Classroom
- Signing up for Sports Medicine II requires “try out” & Athletic Trainer Staff invitation during Sports Medicine I. This class is for potential student athletic trainers only. You cannot sign up for Sports Medicine II – select another class for now.
- if interested in student athletic training as an extracurricular athletic activity – see website for information but
 - must take Sports Medicine I and
 - must be invited to join the student athletic training program
- If interested in taking Sports Medicine I for an elective credit – see website for more information
