What is LISD Virtual Learning Academy?

The Virtual Learning Academy (VLA), created in 2007, supports all Lewisville ISD students by creating flexibility through online high school courses that supplement your student's schedule.

How does it work?

All VLA courses are robust, reviewed and available for students to earn up to 3 original course credits per school year. All VLA courses are taught by certified, LISD teachers who are highly trained in methods of online instruction and engagement. The VLA offers a wide range of core subject area courses as well as electives providing many options for your student's learning.

Fees?

Courses taken during the school day are provided at no additional cost to LISD students. If your student takes a VLA course outside of the school day or during the summer, an additional fee will be assessed.

How do I register for a VLA Course?
