elective		elective	

REMINDERS:

- **Students need at least 26.0 state credits to graduate**
- **Some endorsement grad plans only require 3 social studies credits**
 - *(9th: World Geography or 10th: World History, 11th: US History, 12th: Government/Economics)*
- **Having a 4-year plan can help students make room in schedule for specialty programs, such as fine arts, Career Center courses, and sports.**
