

# MARCUS COLOR GUARD

## WHAT?

### WHAT IS IT?

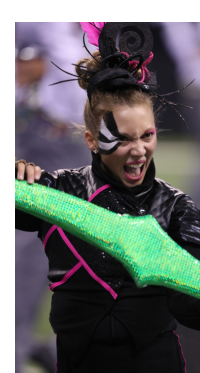

Color Guard is an activity which combines dance, theatrics, gymnastics, and skill-based maneuvers to visually enhance music and to tell a story. It involves choreography, spinning and tossing flags, mock rifles and sabres (swords), and interpretative movement.

## WHO?

### WHO DOES IT?

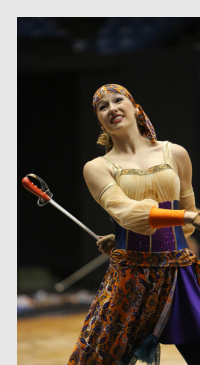

Color Guard at Marcus High School is open to all interested female students. Prior dance or Color Guard experience is NOT required, and most members have had no prior training... we all learn together!

## WHERE?

### WHERE DOES IT HAPPEN?

The Color Guard performs as part of the award-winning Marcus High School Marching Band during the Fall season, as a visual enhancement of the band's marching production. In the winter months, the group is known as the Winter Guard, and performs its own competitive program inside a gymnasium!
