**LEWISVILLE
INDEPENDENT
SCHOOL DISTRICT**

COMMITTED TO EXCELLENCE

**GRADE POINT VALUES
AND CLASS RANK**

In order to provide an equitable evaluation for courses of varying difficulty, a weighted grade system is used for computation of class rank. All grades earned in the areas of English, Mathematics, Science, Social Studies, Foreign Language, any AP Course, and ACDEC will be used to determine rank in class and GPA. Within these areas, difficulty levels are assigned to every course. Grades are weighted with a multiplier according to the assigned level as follows: level 3 is 1.2; level 2 is 1.15; level 1 is 1.1; level 0 is 1.0. The computed score is then totaled and divided by the number of foundation courses taken. These averages will be placed in numerical order from highest to lowest to determine **top ten percent**.

In response to the highly competitive academic settings of LISD schools, the Board of Trustees enacted a policy for students who do not rank in the top ten percent. It is the policy (EIC local) of Lewisville ISD;

A student whose class rank is not in the top ten percent of a graduating class shall indicate whether the district should or should not report the student's class rank on the transcript.

Therefore, students in the top ten percent of their class will show class rank on their transcript. Students who are not in the top ten percent of their class may not show a rank on their transcript. For these reasons, ***please consider students without a rank to be from a non-ranking school.***

Flower Mound High School opened its doors for the first time in August 1999 with a student body comprised of 9th and 10th graders. 11th grade was added for the 2000-2001 school year, and 12th grade was added in 2001-2002. In 2014-2015 an addition was added to house our FM 9th campus. This wing allows for transition of the 9th grade students to take core courses on that campus and take electives and participate in programs on the main campus. Current enrollment for both campuses is 3542; this total includes 2687 10th through 12th graders and 855 9th grade students.

FOUNDATIONS HSP

Texas House Bill 5 changed the graduation plan for high school students starting with the freshman class of 2014-15. The Foundation High School Plan (FHSP) brings a more direct focus on endorsement areas of study with specific course requirements at each level. Please visit the lisd.net website for more specific details about the FHSP.

THE GRADING SYSTEM

All grades are recorded numerically. Transfer grades are recorded from transcripts and are given numerical equivalence according to LISD grading scale if the sending school does not send a scale.

GRADE SCALE: A 90-100 C 70-79
B 80-89 F 0-69

School Year: LISD high schools are on an accelerated block schedule. The school year is divided into two terms (August-December and January-May) with two quarters in each term. One half credit can be earned per class per quarter. Students may earn four credits per term or eight credits per year.

School Day: Four class periods of 90 minutes each, which meet five days per week. Hours – 8:20-3:35 Monday-Friday.

COVID 19 IMPACT

In response to the global pandemic, Lewisville ISD (LISD) shifted to full online learning for the remainder of the 2019-2020 school year. Due to the unprecedented nature of this global crisis and its impact on learning, LISD implemented a pass/fail (P/F) grading system to award students credit for courses in the remainder of the 2019-2020 school year. GPA for all students in grades 9-12 was frozen at the end of the 3rd nine weeks grading period of the school year 2019-2020.
