

February 12, 2019

The Greater Lewisville Area Soccer Association (GLASA) is a non-profit organization committed to promoting youth soccer in a safe and friendly environment. GLASA will be awarding \$6000 in scholarships to qualified students graduating from Lewisville area high schools.

These scholarships are open to all soccer participants who contributed to the success of soccer in the Greater Lewisville Area, including players, referees, coaches, or other volunteers. **These are not athletic scholarships targeted to the elite player.** The committee will consider the applicant's academic performance, extra-curricular activities, essays, and contributions to the soccer community. A transcript and resume may be attached if available.

Please inform your students of this opportunity and encourage them to fill out the application. The application is attached. Make as many copies as needed or distribute electronically. **The applications must be received by March 15, 2018. Winners will be announced April 1st.**

We are pleased GLASA has the opportunity to provide Soccer Scholarships and are looking forward to reviewing your student's/player's application forms.

Sincerely,

Richard Metivier
GLASA Scholarship Chairman
