

Living for Zachary

ACADEMIC SCHOLARSHIP

Living for Zachary's mission is to raise awareness and prevent sudden cardiac arrest (SCA) in youth. The organization was founded in honor of Zachary Schrah, who was only 16 years old when he collapsed without warning during a high school football practice in Plano on April 2, 2009. After Zachary's death, his mother Karen founded Living for Zachary, a 501(c)(3) non-profit organization, in June of 2009.

Since its inception, Living for Zachary has impacted thousands of families and children across Texas through youth heart screenings, AED donations, CPR/AED certification classes, scholarships, and awareness events.

Zachary Schrah planned to pursue a profession in the medical industry, and this scholarship honors his memory by supporting students pursuing post-secondary education in the medical profession.

The Living for Zachary Academic Scholarship will be awarded to three high school students in the amount of **\$2,500** who demonstrate academic excellence, school and community participation, leadership potential and financial need.
