### Immunization Requirements for Students entering 7<sup>th</sup> Grade 2019-2020

The Texas Legislature requires the following immunizations for entry into seventh grade.

\*Enrollment will not be allowed until proof of current immunizations or exemption has been supplied to the school.

- Tdap Booster -One dose, if it has been 5 years since the last dose of a tetanus containing vaccine.
  - Meningococcal Conjugate-One dose. (Menactra, MCV4, Menveo)

Please review your child's immunization records to see if they have received these immunizations. If your child has received them, please send a copy of their record as soon as possible. We are requesting the immunizations be received and proof submitted by May 2019.

These immunizations are required before your child will be able to get their class schedule at orientation or the first day of school in August 2019.
